

Brevard Healthcare Workforce Consortium Meeting Survey  
15 Surveys Returned

Do you like the Consortium meeting format (recommendations)? All – yes

- Longer Q & A
- Discuss Curriculum of Healthcare Workers – Does this meet the need of industry?
- Guest Speakers and discussion – was nice
- Good format, excellent format, interesting, efficient format
- Helpful to have speakers that highlight what is being done in the healthcare environment
- More time to cover all topics

What comments do you have about today's meeting?

- Very good
- Informative
- Love breakout sessions
- Well run
- Maybe we need ice breaker, better
- Really enjoyed the group discussion part and apprentice info
- Great discussion, relevant and interesting speakers
- In addition to learning a lot, made some new contacts
- Need to recruit more businesses and training institutions to this quarterly meeting
- Interesting speakers, room too cold
- Informational, more work to do
- Lasted to 12:00 only, soft skills and apprentice presentation
- Great feedback

What month should we hold the next Brevard Healthcare Workforce Consortium Meeting (February, March or April)?

- February -iiiiiii
- March iiiiii (looking at early March dates – possibility of room for all day?)
- April i

How can the Brevard Healthcare Workforce Consortium be of better benefit to you?

Brevard Healthcare Workforce Consortium Meeting Survey  
15 Surveys Returned

- Email updates
- We just need to keep going, keep focus going
- Ideas to improve candidate pipeline
- Involve as many business as possible at the next meeting
- Staffing Committee in next meeting should discuss the important topic of “Staffing” which nurses state is currently inadequate
- Continue conversation on how education institutions can assist with employment needs.
- Access to committee work (which is on the aimbrevard.com site)
- Like the networking, would like round table with others sharing what system they are using
- Involve secondary schools for soft skills
