TAKING **aim** IN HEALTHCARE

Be part of this industry-led effort.

Help build smart local and sustainable talent pipeline solutions for Brevard.

Brevard Healthcare Workforce Consortium

Serving Our Sisters Spiritual Food, Inc.

We are committed to providing support, love, and guidance to our passionate **nurses** who have dedicated their lives to helping the sick, elderly, and disabled members of our communities. We aim to help them find meaning in their profession and in their lives – letting them realize how truly appreciated they are. We urge you to join us today in supporting this cause and fulfilling this mission. Let it be our purpose as the sons and daughters of our Almighty God and the brothers and sisters of these modern-day heroes.

Servingoursistersspiritualfood.org

Some Consortium Values:

- Ensure industry employers have the skilled talent needed
- Develop and maintain local talent in the most needed competencies
- Provide employment opportunities with sustainable wages
- Help identify career ladders to self-sustaining wages for local workers and their families

Elderly Compassionate Care Program

Connects Home Health Aide, Certified Nursing Assistant, Patient Care Assistant and Licensed Practical Nursing candidates to training scholarships and other resources to successfully launch their careers.

Guest Speaker, Linda Cobb

www.lindacobb.com

Linda Cobb is dedicated to helping leaders achieve results. She was raised by a heart-centered hospital president and witnessed the powerful impact that one person can make within an organization, as well as the surrounding community. That role model sparked her desire to find proven tools to help healthcare leaders create their biggest impact.

Linda is an executive coach, speaker, author, and trainer with over 20 years experience. She has been owner/president of The Coaching Company, Inc. since 1997, and is dedicated to life and leadership coaching. Her proven processes for coaching, teambuilding, and facilitation have been widely used locally and nationally. Her clients include executives, work teams, entrepreneurs, and professionals seeking advancement.

Linda has an M.S. in Personnel Psychology, and is a graduate of Coach University, and the Arbinger Institute's Mastery in Coaching Program. She is certified in advanced trauma debriefing, numerous assessments, and is a registered corporate coach.
