

1. Constraints with technology and partners
2. Learning to pivot on the fly
3. Additional social distancing requirements
4. Not enough teachers
5. Aging nursing leadership
6. Lower wages than other areas
7. Not enough schools in FL
8. Suspension of training and education
9. Limited capacity for educators due to pandemic requirements
10. Pass rate concerns for the state
11. State universities need more funding to enhance their nursing programs
12. Transition to virtual learning
13. Moving from face-to-face interaction to a remote world or combination
14. More rigorous rules for nursing schools to stay open: need to have better outcomes, not just admit students
15. Challenges to stay open with these constraints
16. Emotional challenges; disconnectedness; trying to figure out how to navigate that
17. Home Instead-we are still hiring and holding on site orientation using social distancing--still do not have enough applicants from Cocoa to Titusville
18. Talent attraction/virtual talent attraction/younger generation
19. Enhance salaries of nurses to compete with other nearby counties and prevent new graduate nurses from moving out of Brevard County upon graduation

June 26 BWHC Key Concerns Identified

20. Not enough teachers

21. Emotional challenges; disconnectedness; trying to figure out how to navigate that

22. Talent attraction/virtual talent attraction/younger generation

23. Enhance salaries of nurses to compete with other nearby counties and prevent new graduate nurses from moving out of Brevard County upon graduation
